About the Studio Tour

Each year, artists from the Richmond Hill Studio Tour invite the public into their homes and studios. It's your chance to get a look behind the scenes, take a self-guided tour and meet the artists in the places where they live and work. Local landmarks such as the Burr House Craft Gallery, Heritage Centre, Mill Pond Gallery and the Rouge Woods Community Centre will also open their doors, each coming alive with colour and hosting a number of talented artists. The Studio Tour is free of charge.

You can also meet local artists, watch demonstrations and catch a glimpse of new work at the Hillcrest Preview Show taking place from Friday, October 2 to Sunday, October 4.

To make your gallery viewing even more enjoyable, sponsoring restaurants will offer a 10 per cent discount to visitors during the Tour. Tea and homemade treats will be offered at the Heritage Centre and Burr House!

Next year's Studio Tour is already in the works and new artists are welcome. If you would like to apply, please call the Art Supervisor at (905) 787-1441, ext 222.
