## ★ Doodleblobz

Doodleblobz art classes is a big fan of supporting, facilitating and living a colour-full, creative life. Visual Arts enables the journey of self discovery and we believe that getting messy and creative through the wonderful world of art brings us closer to understanding our authentic, true colours. With this in mind, and paintbrush in hand, doodleblobz encourages participants to embrace art, its many surprises and its benefits. We are committed to providing babies and toddlers with the opportunity to participate creatively in visual arts, to appreciate artistic expression, and to expand individual imagination, all while having fun, and of course, getting MESSY! Parent participation program.

## Five Principles of HIGH FIVE® Programs

- 1. A Caring Adult:** Quality programs for children must have a positive interaction between staff and child.
- 2. Friends:** Children's peers offer inclusion and acceptance, opportunity for having fun in constructive play, and opportunity for developing and practising social skills.
- 3. Participation:** Children need to make choices, have a voice and do things by and for themselves.
- 4. Play:** Stresses fun, creativity and cooperation.
- 5. Mastery:** Provide children with activities and tasks that make them feel they are special, important and succeeding.

**All program instructors for children ages six to 12 are HIGH FIVE® Certified.**
